

OneDigital Named in Pension and Investment's Annual Best Places to Work in Money Management

Award Recognizes Industry Leading Firm, OneDigital, for Excellence in Workforce Experience

Atlanta, GA – December 13, 2021 – [OneDigital](#), a leading insurance brokerage, financial services and HR consulting firm, today announced it has received the Best Places to Work in Money Management accolade from Pensions & Investments. The award identifies and recognizes the best employers in the industry through direct employee feedback.

Headquartered in Atlanta, GA, OneDigital employs more than 2,800 employees across the country and manages over \$80 Billion in assets under advisement (AUM). This is the firm's first time receiving the accolade, having [entered into the retirement and wealth vertical](#) in 2020. Investment advice is offered through OneDigital Investment Advisors, an SEC-registered investment adviser and wholly owned subsidiary of OneDigital.

"We are honored to be included among Pensions & Investment's Best Places to Work in Money Management. At OneDigital, our continued investment in our employees has cultivated an environment of caring, empathy and collaboration. The commitment to the development and growth of our team has allowed us to evolve as the needs of our people change. Maintaining our culture during a year of extreme change is something we are incredibly proud of and is a true reflection of the caring and collaborative workforce we have built."

— [Elizabeth Chrane, Chief People Officer, OneDigital](#)

"This may be the most significant year to earn recognition as a top workplace in money management given the lingering workplace challenges everyone has faced through pandemic. This year's award, along with the additional recognition we receive from the industry, is a testament to our employees, leadership team, and the culture we collectively work to create in order to create a thriving workplace."

— [Vince Morris, President, OneDigital Retirement + Wealth](#)

The Pension & Investments Best Places to work in Money Management is an annual award celebrating its 10th anniversary. This sponsored content feature presented by Pensions and Investments and Best Companies Group lists the companies with the highest employee engagement and satisfaction levels in the financial industry. Harrisburg, Pa.-based Best Companies Group identifies the leading employers in the industry by conducting a two-part assessment of each company. First, employers complete an in-depth questionnaire about company policies, practices, and demographics. Second, employees complete a confidential survey to measure their satisfaction and engagement.

In addition to this accolade, regional OneDigital offices have received similar Best Places to Work awards in 2021, including Orange County, Bay Area, Chicago, San Francisco, Charlotte, Dallas and Hartford. OneDigital was also recently recognized as Business Insurance's Best Places to Work in Insurance for the third time. For more information on the OneDigital culture, or to explore open opportunities, visit the [OneDigital Careers Page](#).

About Pensions & Investments

Pensions & Investments, owned by Crain Communications Inc., is the 49-year-old global news source of money management. P&I is written for executives at defined benefit and defined contribution retirement plans, endowments, foundations, and sovereign wealth funds, as well as those at investment management and other investment-related firms. Pensions & Investments provides timely and incisive coverage of events affecting the money management and retirement businesses. Visit us at www.pionline.com.

* Pensions & Investments partnered with Best Companies Group, a research firm specializing in identifying great places to work, to conduct a two-part survey process of employers and their employees. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies.
