Phil Currie Hosts Webinar on Deferred Compensation Strategies

Atlanta, GA – (July 19, 2022) [Fulcrum Partners](#), a OneDigital Company, announces an all-access nonqualified deferred compensation webinar hosted by Senior Vice President - Retirement [Phil Currie](#). In a short presentation that requires no pre-registration, Phil looks at “Hitting the Home Run in Deferred Compensation: How Small and Mid-Sized Companies Can Reward Key Employees.”

Using the [nonqualified deferred compensation](#) contracts of widely known professional athletes as examples, Phil explains how similarly structured deferred compensation and reward plans can be used by businesses and organizations. “Many companies,” said Phil, “recognize the value of deferred compensation agreements. They understand that deferred comp can position their organization to attract and retain valued talent while allowing them as plan sponsors to choose how and when they fund the compensation expense. We encourage executives and compensation decision makers to watch the webinar, and we’re available to answer their questions.”
